Dear All,

Welcome to Vibrant Gujarat!

Raksha Shakti University Ahmedabad, Gujarat is India's first UGC recognized Internal Security University established by a Legislative Act by the Government of Gujarat in 2009. Pandit Deendayal Petroleum University (PDPU) has been established by GERMI as a Private University through the State Act enacted on 4th April, 2007. Institute of Research & Development of Raksha Shakti University, Ahmedabad, Gujarat & School of liberal Studies, Pandit Deendayal Petroleum University, Gandhinagar is jointly organizing the 41st National Annual Conference of Indian Association of Clinical Psychologists (41st NACIACP) in February 2015. We welcome the opportunity given by the IACP to host this conference. Raksha Shakti University & Pandit Deendayal Petroleum University takes great pleasure in inviting you all to the 41st NACIACP 2015.

In the coming years, interdisciplinary team research would expect Clinical Psychologists to provide Mental Health care and intervention not only to individuals with illness, disabilities or disorders, but for the wellness of the society at large. Already mental health service division exists in Defence Institute and Army Hospitals. It's time to envisage Police Institute of Psychological Research and Mental Health Service Division to provide mental health care to police personnel. Keeping this in view, the main theme of the present conference is: **"Paradigm shift in Clinical Psychology: From Mental illness to Mental Wellness and Mindfulness"** covering

1. From Mental illness to Mental Wellness
2. From Disabilities to Differential Abilities
3. From Anti Social Behaviour to Prosocial behaviour

Institute of R & D of Raksha Shakti University & School of Liberal Studies, Pandit Deendayal Petroleum University invites participants to send their abstracts for paper presentations and poster presentations.
