MESSAGE

It gives us immense pleasure to invite you in the 46th National Annual Conference of Indian Association of Clinical Psychologists in "The City Beautiful" Chandigarh. The Theme chosen for the conference is very important and intent to extend the clinical psychology profession in the Medical setting. Consultation liaison is now days becoming more popular with the advent of newer technology and newer challenges in the field of medicine. In this regard clinical psychology has very important and

CONFERENCE DIRECTORS

Dr Manoj K Bajaj

Dr Krishan K Sony

effective role for preventing, treating and rehabilitating various medical conditions while working as mental health professional. Clinical psychology is not just restricted to mental health conditions also has increasing role in physical illnesses. So, conference will deliberate on various medical conditions and implications of psychological theories. Scientific deliberations will encourage and facilitate the clinical psychologists to prepare and opt to work effectively in the medical specialities. The deliberations by the eminent professionals on the theme are expected to enrich our knowledge and provide directions. The award papers and free papers will further strengthen the whole scientific program. There will be Workshops, Symposiums, Penal discussions and Invited lectures on Physical and Mental health issues. Free paper /poster sessions, social event, cultural programs will be organized to make the conference live. We are sure that the rich scientific program and the City Beautiful will encourage you to attend the conference and participate actively. We eagerly look forward to welcome you.

With warm regards
