From the Desk of President

It gives me immense pleasure to bring out the “Membership Directory of Indian Association of Clinical Psychologists” during its landmark glorious occasion of “Golden Jubilee Conference being held at Gautam Buddha University, Greater NOIDA during 23-25th Feb., 2018”. This Directory also carries some important information about the Association.

Our Association has travelled fifty years and contributed significantly by serving the community in the area of mental health. I wish long journey for Association to reach further heights in years to come.

Good wishes to all Esteemed Members of the Association.

Prof (Dr.) Amool Ranjan Singh
President
Indian Association of Clinical Psychologists

Founder Members of the IACP

At the time of the Registration of the IACP (19th April, 1968) there were 70 Members. On the eve of the first Annual General Body (AGB) meeting of the IACP held at Bangalore on the 15th October, 1969, the provisional membership list had 80 Members and 2 Honorary Members (Dr D. Satyanand and Dr K. Bhaskaran). The first AGB unanimously decided that the founder membership would be kept open “till the next convention” so that those with a wait and watch attitude about the formation of the Association are not denied an opportunity to come in as Founder Members. The second convention was held at Lucknow from the 12th to 14th December, 1970. The Founder Membership ledger was closed with the sitting of the second AGB of the IACP held on 13th December 1970. The First Membership list of the IACP notified in 1971 consisted of 101 members who became the Founder Members.

In 1974, the then President Late Dr D. Dhairyam (19) became the first Life Member of the Association. He appealed to the other Members that as many members as possible should seek life Membership so that a corpus fund of the IACP can be created. Eight others, Ahuja, Indra (4), Dhillon, Manjith (17), Dube, S (20), Kumar, Adltya (36), Kumar, Myra (37), Padki, Vijay (60), Sharma, S C (77) and Tiwari C A (93) became "Life members" by paying the prescribed fee of Rs 250/-, in place of the annual subscription of Rs 15/-, and their names are shown as such in the IACP Membership list of 1974. Dr Dhairyam expired suddenly on 24th February, 1976 at the age of 53 and his life membership lasted just about 2 years.

The next year an appeal was made that Members who are qualified as per the prescribed qualifications and experience to

become Fellows should apply for the same and start paying the annual subscription of Rs 25/- In place of Rs 15/- prescribed for the Members. Prabhu, G G (62) applied and was elected as the first Fellow of the IACP at the Varanasi in EC meeting of the IACP on 23rd December, 1975. This is recorded in the IACP Membership list of 1977. (“Members who left India and whose later addresses could not be traced)

Please Note: Well documented history of the profession of Clinical Psychology in India as also of the Indian Association of Clinical Psychologists (IACP) has been scanty. The present exercise is a small effort to fill in this hiatus.

Landmark in the History of Development of Clinical Psychology in India

- 1954** Government of India established All India Institute of Mental Health (now National Institute of Mental Health & Neurosciences, NIMHANS) at Bangalore to provide a 2-year post M.A. level professional training course in Clinical Psychology which was earlier known as Dip. in Medical Psychology/ Dip. -Medical & Social Psychology and presently as M.Phil. in Medical & Social Psychology. In the subsequent years, the institute also initiated Ph.D. programme in Clinical Psychology.
- 1962** Establishment of second institute by the Govt. of India, Centra Institute of Psychiatry, Ranchi, to impart postgraduate professionals training course in Clinical Psychology on the same model as in NIMHANS, Bangalore

- 1974 INDIAN JOURNAL OF CLINICAL PSYCHOLOGY**

The journal is an official half-yearly publication of Indian Association of Clinical Psychologists. Since its inception in 1974 it is being published regularly and had broughtout 43 volumes. The distinct quality of our journal could be judged from the fact that it is one of the recognised contributors in the field of mental health for the internationally renowned Institute for Scientific Information (ISI) of U.S.A. All distinguished past editors as well as the present incumbent deserve appreciation for their commitment to the profession. Needless to say, journal is the lifeline of any professional organisation and

therefore we must keep on striving to enrich its standard to strengthen the association at a greater level.

1974 A formal comprehensive clinical training programme was in-corporated in the curriculum of the course of clinical psychology at NIMHANS.

1988 Association instituted its first award in the memory of its Founder-President 'N.N.Sen Memorial Award' for the best published article of the year in Indian Journal of Clinical Psychology.

1988 Association also instituted in the same year its first oration with the cooperation of one senior clinical psychologist in the memory of her father, an illustrious engineer of his time. It is an annual oration known as 'C.S. Kang Memorial Oration Award' to honour a distinguished professional every year who has an outstanding contribution to the discipline or having done extraordinary service to the association in achieving its objectives. Subsequently H N Murthy Oration was started.

1989 As a first effective step in the direction of achieving the long-sought goal of registration of clinical psychologists in this country, Indian Association of Clinical Psychologists initiated issuing of a Registration Certificate to Fellows and Life Members of the association fulfilling the requisite professional qualifications of a Clinical Psychologists (i.e. D.M.P./D.M. & S.P./M.Phil in Medical & Social Psychology or Ph.D. in Clinical Psychology from NIMHANS, Bangalore or C.I.P., Ranchi). It was assumed that this registration certificate at the association level would greatly help in pursuing the objective of our demand that the government should soon take steps to form a Registration Council for Clinical Psychologists.

1994 Association further initiated a few more awards to give recognition to its professional members and enhance their participation in the annual conferences. Keeping this in view as well as to make the Silver-Jubilee year (1993)

a memorable event, the Association established I.A.C.P. Academic Excellence Award, R. Kishore Young Clinical Psychologist Award and two more awards to be given every year (i.e. Best Conference Paper and Child Psychology Award).

Felicitation of all the office-bearers of the last 25 years of this association at a Silver-Jubilee Grand Finale Ceremony on the auspicious occasion of annual conference of the association held at K.Gs' Medical College, Lucknow, on 27th & 28 th February, 1995.

- 1995** Association further initiated a few more awards to give recognition to its professional members and enhance their participation in the annual conferences. Keeping this in view as well as to make the Silver Jubilee year (1993) a memorable event, the association established IACP Academic Excellence Award, R Kishore Young Clinical Psychologist Award, and two more awards to be given every year (e.g., Best Conference Paper and Child Psychology Award which were subsequently named as Dr. S C Gupta Best Paper Award and Asha Nigam Child Psychology Award. Asha Nigam Child Psychology Award was again renamed as IACP Child and Adolescents Mental Health Award in 2014.
- 1998** RCI is statutory body since 1992 to regulate the practice of Clinical Psychology in India
